Material:	Shell 1: 88 % nylon 12 % spandex Shell 2: 100 % polyester
Size:	H5993: XS - 5XL H5994, H5995: S - 4XL

The Men's ARDON®NYPAXX® jacket made from a combination of a quilted 3-layer front and back and lightweight knitted sleeves. The jacket has a highly ergonomic and functional cut that promotes freedom of movement. The combination of knitted and quilted materials ensures sufficient flexibility and breathability. The insulated parts are made of a pleasant lightweight material with padding that retains heat and protects against wind. Two zipper side pockets, a visible front zipper with chin protection, reflective elements for better visibility, and a quilted hood complete the overall design.

This personal protective equipment is in conformity with these harmonized European Standards:

ČSN EN ISO 13688:2013 : Protective clothes - General requirements.

PPE of the simple construction against minimal risk, which can be recognized by the user safely at an early stage.

Self certification have been performed on the base of technical documentation of the PPE and practical exams of the ergonomic features of the PPE by the Ardon Safety s.r.o. company, dated 9<sup>th</sup> June 2022.

Pieces in carton:	15
Carton weight:	11,4 kg
Carton size:	0,09 m <sup>3</sup>

Service life depends on the frequency of use and the wear rate under the given conditions. Improper storage and improper maintenance and handling will reduce the service life. The warranty period is 24 months. In no event may the warranty period be confused with a product's service life. Under intense

use, the service life may be shorter than the warranty period.

The product contains no substances at concentrations that are known or suspected to have adverse effects on sanitation or a user's health. However, skin irritation may occur with sensitive persons; in this case, the discontinue use of the clothing. Avoid fire and intense heat sources. There are no designated accessories or spare parts for this clothing. When a garment is not being worn, it should be stored in dry and well ventilated places out of direct sunlight. In order to transport, the original packaging should be used. Protect from moisture and extreme temperatures. After use, dispose of in an environmentally friendly manner.
