Stylish sports safety glasses with the black nylon frame and black nylon temples combine fashionable look and functionality. They adapt perfectly to face shape thanks to adjustable temple leght. Large smoke polycarbonate lens which are made from one piece protect against UV radiation and have a function of anti-solar filter while maintaining adequate color perception. They are anti-fogging, anti-scratching and resistant to low-energy shocks (up to 45 m/s) at extreme temperatures ($-5^{\circ}C - +55^{\circ}C$) and provides maximum protection. Soft black grooved non-sliding nose bridge ensures excellent all-day wear. They provide extremelly large field of view.
